OBJECTIVE

To acquire the role as a **Front-End React Web Developer**. Am capable of continuous learning from potential mentors while knowing to keep astride with the rest of the team. Eager to delve into more complex problems, finding ways to maximize my knowledge for better user efficiency. Due to my Hispanic background, I've been instilled with the integrity of pride and respect at a very young age. Inevitably translating over, improving my relationships & communication skills.

SKILLS

<i>React JS</i>	<i>TypeScript</i>	<i>JavaScript</i>	<i>Tailwind CSS</i>
